NOMINATION AND ELECTION OF TRUSTEES INFORMATION

ARTICLE III, SECTION 7. Nomination and Election of Trustees.

(a) Election at District Meetings. Not less than thirty days nor more than sixty days before the annual meeting of the members, the Board of Trustees shall call a separate meeting of the members of each district at a suitable place in such district for the purpose of electing one person as trustee to represent the members located within such district. The notice of such meeting shall be delivered to each member located in such district as provided in Section 3 of this Article and shall indicate the district to which such member belongs. The notice shall state that an election of their trustee to represent their District is to be made at the meeting. The meeting shall, however, be open for discussion of any other matters pertaining to the business of the Cooperative, regardless of whether or not such matters were listed in the notice of the meeting, and recommendations with respect thereto may be submitted to the Board of Trustees or the entire membership.

(b) In order for a member to be nominated at a district meeting for the position of trustee (including incumbent trustees) the member's name and intent to run for such position must be received by the Cooperative in writing at its headquarters in Madison, Florida at least 21 days before the district meeting at which nominations for trustee are to be made. After receiving such written notice, the Cooperative will confirm that the member is a resident of the district for which the member intends to be a candidate for trustee and is otherwise qualified to be a trustee. In the event that the member is not qualified to be a trustee, the Cooperative will notify the member of this in writing prior to the district meeting at which elections for trustee are to be made. The Secretary of the Cooperative shall, prior to the district meeting, certify the names of all prospective candidates who shall satisfy the said requirements.

The district meeting shall be called to order by the trustee representing the district or by another designated representative of the Board of Trustees, or, in their absence, by any member residing within the district. The members shall then proceed to elect a chairman, who shall be someone other than a trustee, and who shall appoint a secretary to act for the duration of the meeting. Fifteen members residing in the district present at such duly called district meeting shall constitute a quorum provided, however, that members casting votes during voting hours in an election of trustees shall be counted as present in person for the determination of a quorum as provided by law. Members of other districts present at the meeting may be heard but shall have no vote. Only those persons who have been certified by the Secretary as provided in Section 7 (b) hereof, shall be considered nominated and eligible for election at the meeting. Candidates must be members residing in the district and must be certified as required by paragraph (b) of this section and possess the qualifications for trustee specified in Section 2 of Article IV of these bylaws.

(c) Voting shall be by ballot. Each member may vote for one candidate. The candidate receiving the highest number of votes shall be declared the trustee of the district. The minutes of such district meeting shall set forth, among other matters, the name of each person nominated at the meeting and the number of votes received by each and shall specify the trustee of the district. A certified copy of the minutes, signed by the secretary and the chairman of the district meeting, shall be delivered to the Secretary of the Cooperative within five days after such district meeting. In the event of a tie vote, the winner of a coin toss shall be declared Trustee-elect.

In the event of a tie vote, the winner of a coin toss shall be declared Trustee-elect.

(d) If only one qualified Trustee candidate is nominated or accepts nomination for a Trustee position, the Cooperative will dispense with balloting, no quorum will be required, and the candidate will be declared the Trustee-elect at the District Meeting.

(e) Not less than ten days before an annual meeting of the members, the Secretary of the Cooperative shall mail to each member a list of the trustees elected at all district meetings, the names to be arranged by district. This list may be included with the notice of the meeting.

(f) In the event the election of a trustee does not occur on the day designated herein for the district meeting due to being unable to establish a quorum at the district meeting, the election of those qualified candidate(s) for trustee shall occur at the annual meeting of the members.

I. **SUBJECT:** ELECTION OF COOPERATIVE TRUSTEES

II. **OBJECTIVE:**

To define guidelines and procedures for the election of Cooperative Trustees.

III. **POLICY:**

- A. In accordance with the Cooperative's By-laws, proxy voting shall not be allowed.
- B. However, business and institutional members (non-natural person members such as churches, corporations, governmental entities with memberships) shall be entitled to designate one natural person to vote on behalf of the business or institutional members. The designation shall be memorialized on a form ("Official Voter Authorization Form") prescribed by the Cooperative. This does not entitle a business or institutional member to designate a natural person to vote on behalf of the business or institutional member if the business or institutional member is listed with the cooperative with a natural person as first line membership. Example: John Doe, XYZ Corporation. Only John Doe can vote that membership.
- C. "Authorization Forms" shall be mailed by the Cooperative to the business and institutional members in conjunction with the Official Notice of any Annual, District or Special Meeting of the members. The Authorization forms shall be identified by color as determined by the Cooperative and have a fixed mailing label attached. If the Authorization Form is alleged to have been lost and the member requests a duplicate form, then the Cooperative shall provide the duplicate form (stamped DUPLICATE in red) to the business or institutional members. During the membership voting registration, the duplicate Authorization Form shall not be approved until it has been determined that the original Authorization Form was lost and does

not appear during the voting registration. After it has been determined that the original Authorization Form was lost then the natural person with the duplicate form stamped DUPLICATE in red may be authorized to vote.

- D. The person designated to vote on behalf of the business or institutional member shall present the completed Authorization Form and appropriate identification during registration at the Annual, District or Special Meeting. No person shall vote on behalf of a business or institutional member without a duly executed Authorization Form. A natural person shall not cast more than one (1) vote on behalf of businesses or institutional members. Natural persons, Businesses and Institutional Members shall be entitled to receive a prize drawing ticket and door prizes without having the completed Authorization Form. The Authorization Form is only required for voting purposes.
- E. No person shall directly or indirectly give or promise anything of value to another intending thereby to buy that person's or another's vote or to corruptly influence that person or another in casting his or her vote. This provision shall not be construed to prohibit the giving of door prizes by the Cooperative.
- F. No person shall intimidate, threaten, coerce, or attempt to intimidate, threaten, or coerce, any other person for the purpose of interfering with the right of such person to vote or not to vote as that person may choose.
- G. An employee who is a member of the cooperative shall be entitled to vote in any matter of business including, but not limited to the election for trustee in his or her district. Employees shall be free to support or oppose any candidate for office of trustee after working hours; however, employees shall not engage in any activity associated with the support of or opposition to any candidate for trustee while working or during working hours or while acting or implying to be a representative of the cooperative.
- H. Members of management and other employees with supervisory responsibilities shall not request, threaten or coerce employees to support or oppose any candidate.
- I. Trustees and candidates for trustee shall not threaten or coerce employees to support or oppose any candidate. This prohibition shall not be construed to prohibit a trustee candidate from contacting employees residing in the trustee candidate's district for the purpose of requesting his or her vote.
- J. Any and all written materials sent to members, signs, advertisements and other election related materials sent by or on behalf of a trustee candidate that promotes or opposes the election of any candidate for trustee shall

conspicuously display the following disclaimer: "This advertisement was approved and sent by or on behalf of _____, candidate of Trustee, District _____, and has not been approved or paid for by Tri-County Electric Cooperative, Inc." A candidate for trustee may not use the Cooperative's stationery or logo in any election related advertisement or communication with members.

- K. No person shall solicit votes or promote or oppose the election of any candidate within 50 feet of the entrance of the polling area or within the polling area.
- L. Prior to the District Meeting each candidate for trustee may designate one (1) person to serve as election observer and one (1) person to serve as election official at the District Meeting. All election observers and election officials shall wear a name badge reflecting his or her status as an election observer or election official. Election observers shall monitor the voting procedures to ensure the fairness of the voting procedures.
- M. Candidates for the office of trustee, trustees and other non-voting persons shall refrain from loitering within or around the polling area. This paragraph shall not be construed to prohibit duly appointed elections observers or election officials from observing the voting procedures and monitoring the fairness of the elections or counting the votes cast.

IV. APPLICABILITY

- A. Cooperative members, trustees, incumbents and any natural person associated with the election process of electing a member to serve as trustee of a district and to hold a seat on the Board of Trustees of the Cooperative.
